

KETTERING ARCHERS

SUNDAY LEAGUE

On Sundays, when no shoot has been arranged and practice would be the norm,

It is noticeable that attendance and general interest is somewhat limited.

To add some structure, the following "Sunday League" round is proposed:

5 dozen arrows shot on 122 cm face..10 zone scoring as follows:-

Men

3 dozen @ 60 yds then 2 dozen @50 yds

**

Ladies

3 dozen @ 50 yds then 2 dozen @ 40 yds

**

Juniors

3dozen @ 30 yds then 2 dozen @ 20 yds

The scores from these rounds will be added together at the end of the time period and the total divided by the number of rounds shot to give an average score.

Minimum of 3 rounds in any discipline to qualify.

Bow types: Recurve, Barebow, Traditional, Compound.

Men and ladies will compete together.

The rounds are not GNAS / AGB and will not be record claimable.

Archers can then practice and compete in a relaxed atmosphere.
